## Board Members Agree on Process for Filling Vacant Board Seat

The Eden Township Healthcare District Board of Directors voted last night to agree on a timeframe and process for the appointment of a new board member. The vacant position to be filled comes as a result of the departure of Director S. Walter Kran, M.D. who resigned in September.

In an open Eden Township Healthcare District (ETHD) Board Meeting held, October 27, at the Hayward Area Recreation & Park District Office, board members voted to interview candidates in two separate interview sessions within the next two weeks. Each of the seven \*candidates who have applied will be given a twenty minute timeframe in which to present themselves and their qualifications for the seat. The selection will be made either at the second meeting or at another meeting called for the purpose of deliberation and decision on the appointment.

The deadline for the board to appoint an individual to this position is November 27 (60 days from the date of vacancy). The scheduled time and location of both interview sessions and subsequent appointment meeting will be posted on the ETHD Web site. All of the meetings are open to the general public.

The next regular meeting of the Eden Township Healthcare District Board of Directors will be on Wednesday, November 18, 2009 at 5:30 p.m. (due to the Thanksgiving Holiday). Regular board meetings are normally held on the fourth Wednesday of every month at 5:30 p.m. The agenda will be posted on the ETHD web site prior to the meeting, or call (510) 538-2031 for a copy of the agenda.

\*(The list of candidates is available upon request).
